### ✓ COMPOSITION

**“The day we had all waited for since the beginning of the term had finally arrived. It was the school sports day. We woke up very early and put on our sports uniforms. My friends and I were very excited.**

**At school, our teachers guided us into different teams. We boarded a bus and sang songs all the way to the stadium. When we arrived, many schools were already there. The field was full of colour and happiness.**

**We took part in many activities such as running races, football matches and skipping competitions. I took part in a relay race and my team won second position. I was very proud of my friends. We also watched cultural dances and enjoyed snacks during the break.**

**In the evening, we were given prizes and certificates. Our school performed very well. We thanked our teachers for taking care of us.**

**Finally, we returned home tired but very happy. I will always remember that special day.”**
